Florida Statewide Survey
April 8-12, 2015
LET'S GET TO WORK

Methodology

The following survey was conducted by OnMessage Inc. in Florida. Telephone interviews were conducted on April 8-12, 2015. This survey consists of 700 likely voters, 25% of whom were contacted via cell phones. This survey was stratified by county to reflect historic voter trends. The margin of error for this survey is +/- 3.70%.

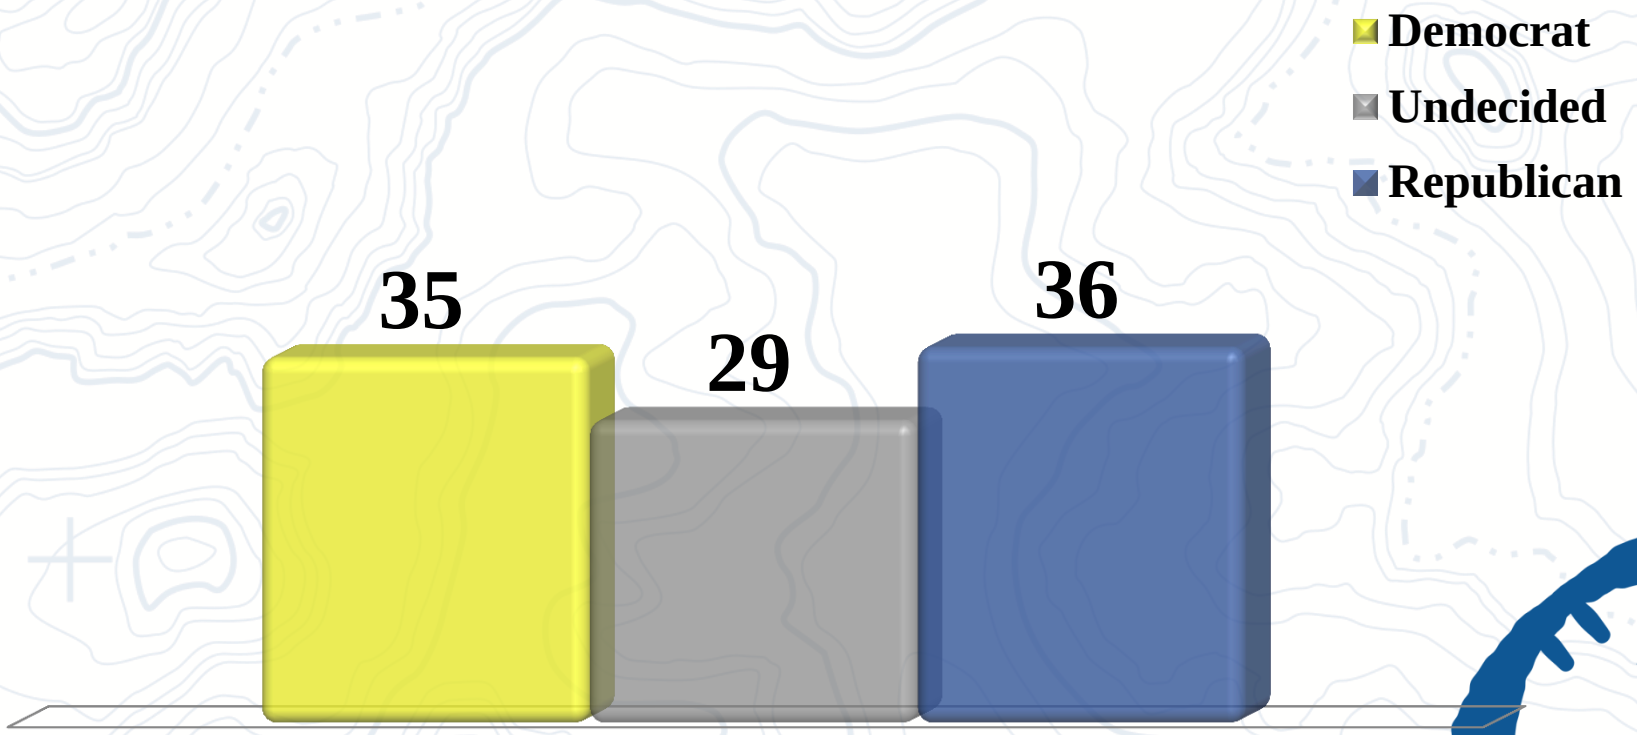
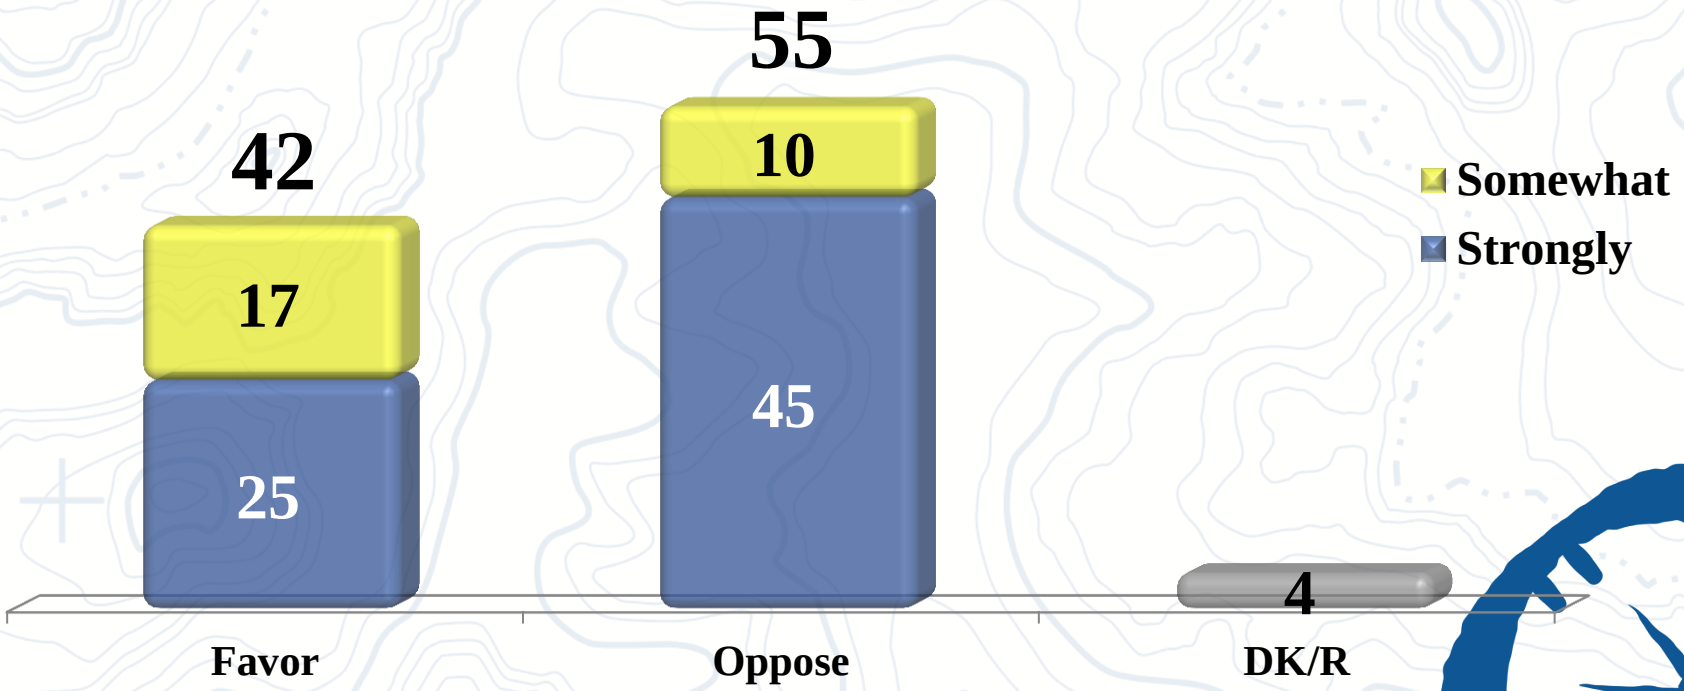
If the election for U.S. Congress were held today, for whom would you vote, the Republican candidate or the Democrat candidate?

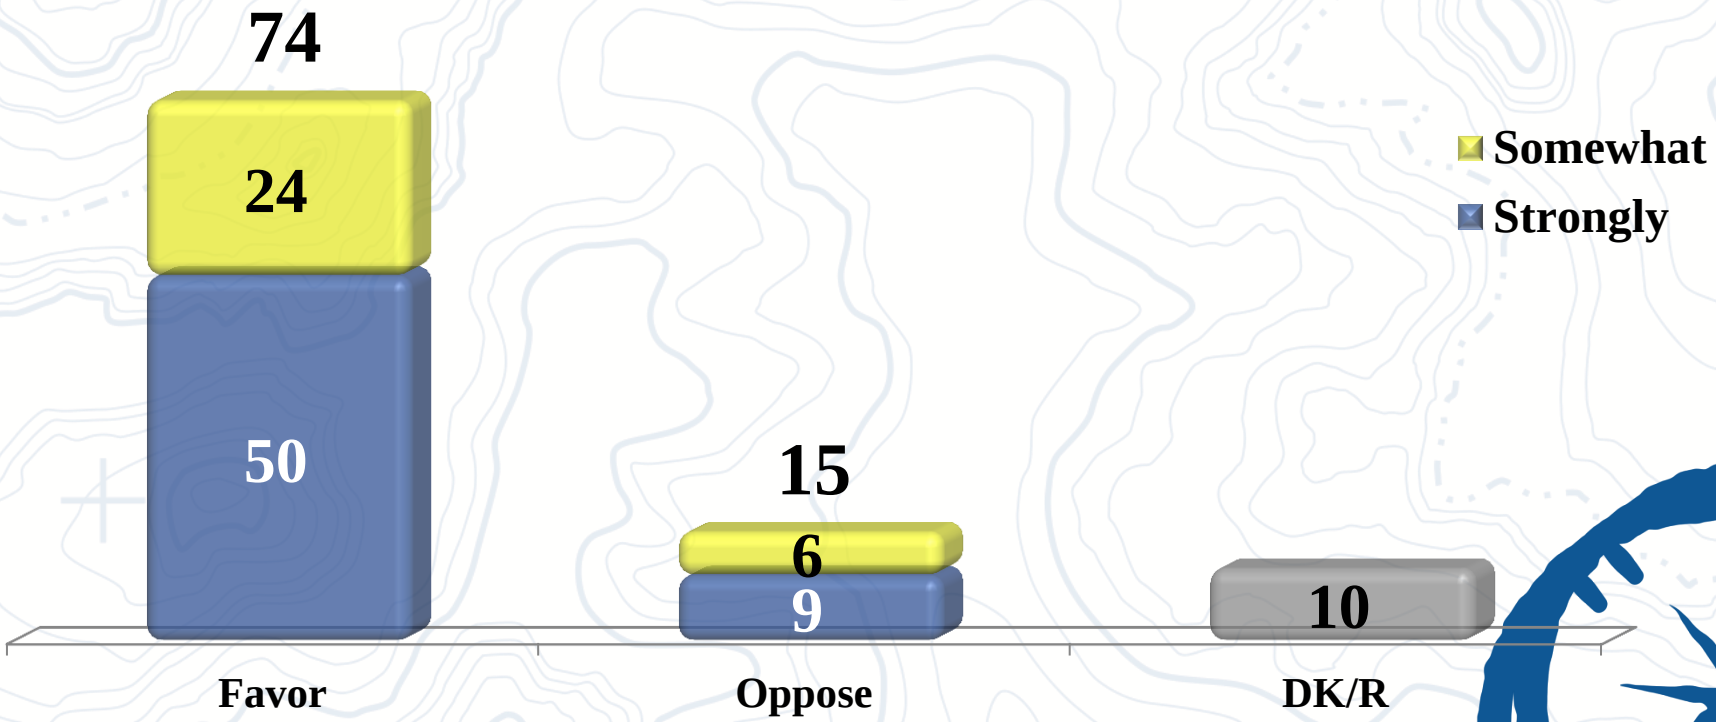


Based on everything that you have seen, read and heard, do you favor or oppose President Obama's health care law, also known as Obamacare?

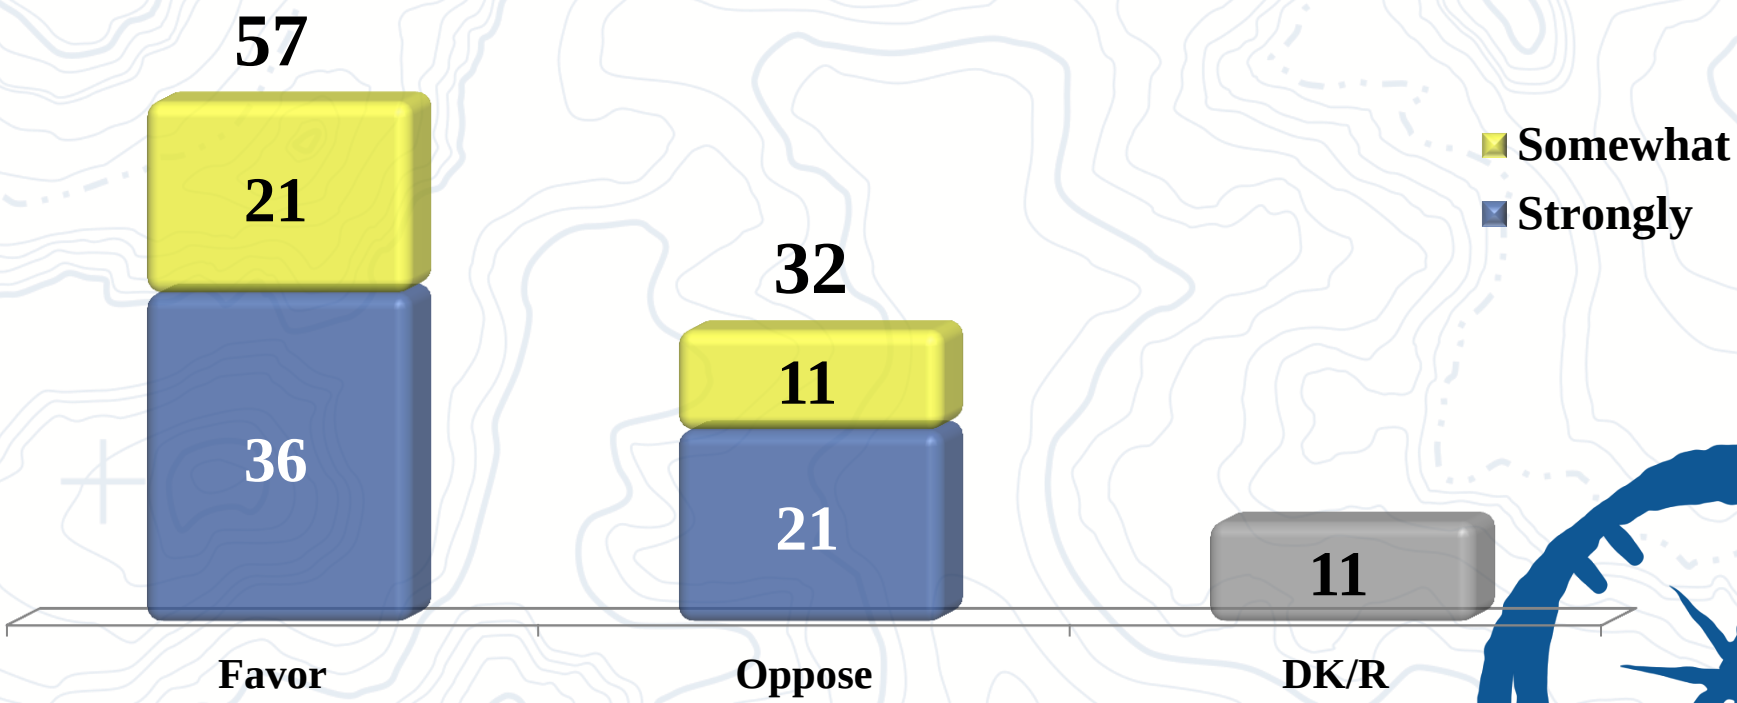


Thinking again about healthcare, has Obamacare helped to improve or harmed you and your family's healthcare?

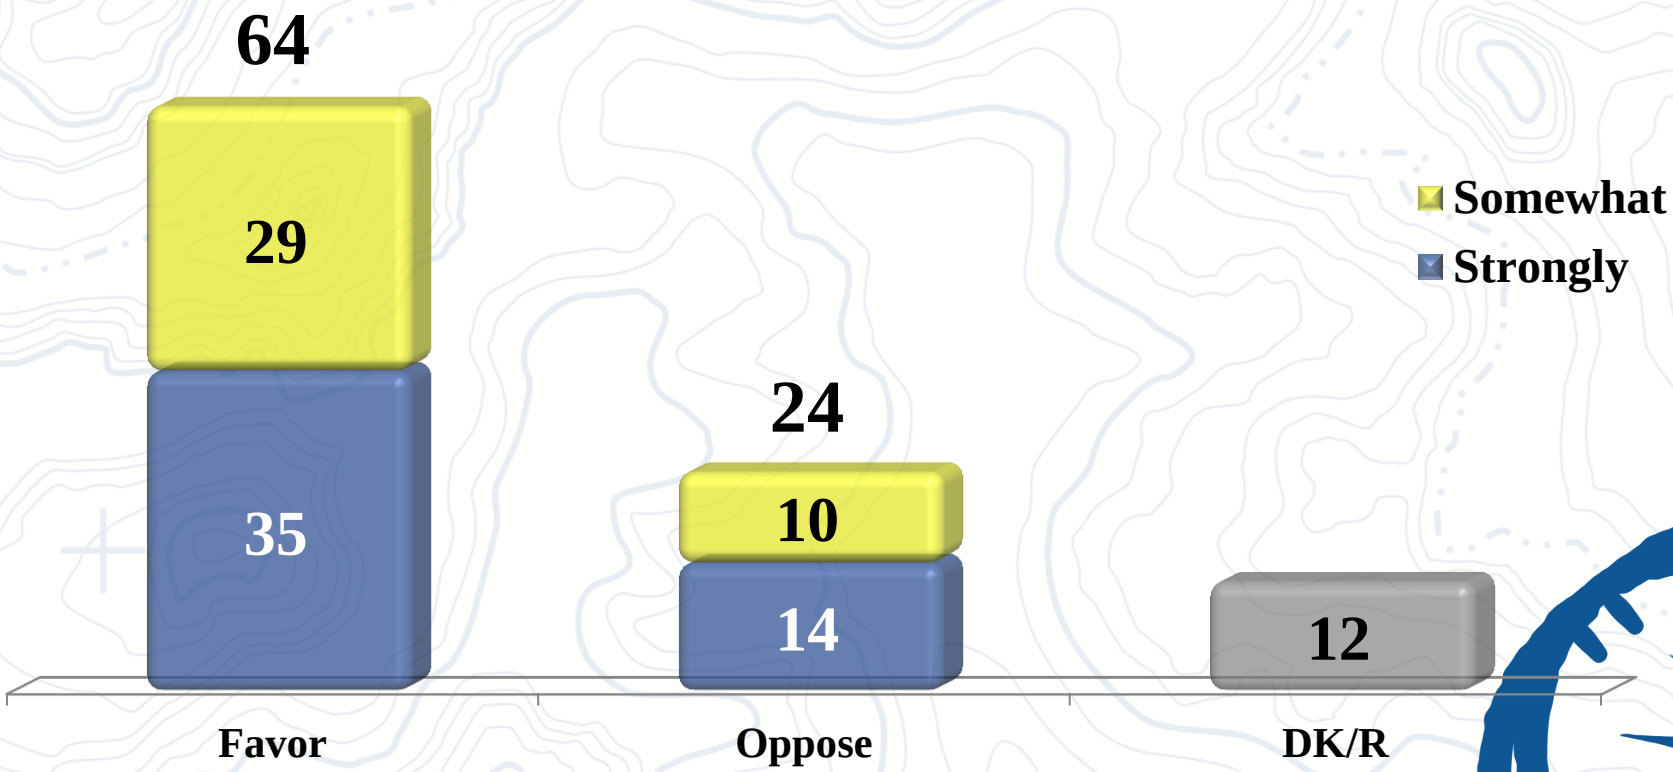
Do you favor or oppose a proposed cut to the state cell phone and TV tax that would result in savings for the majority of Florida families? This tax cut would put $43 dollars a year back into the hands of any family that spends a hundred dollars a month or more between cell phone, cable and satellite bills.

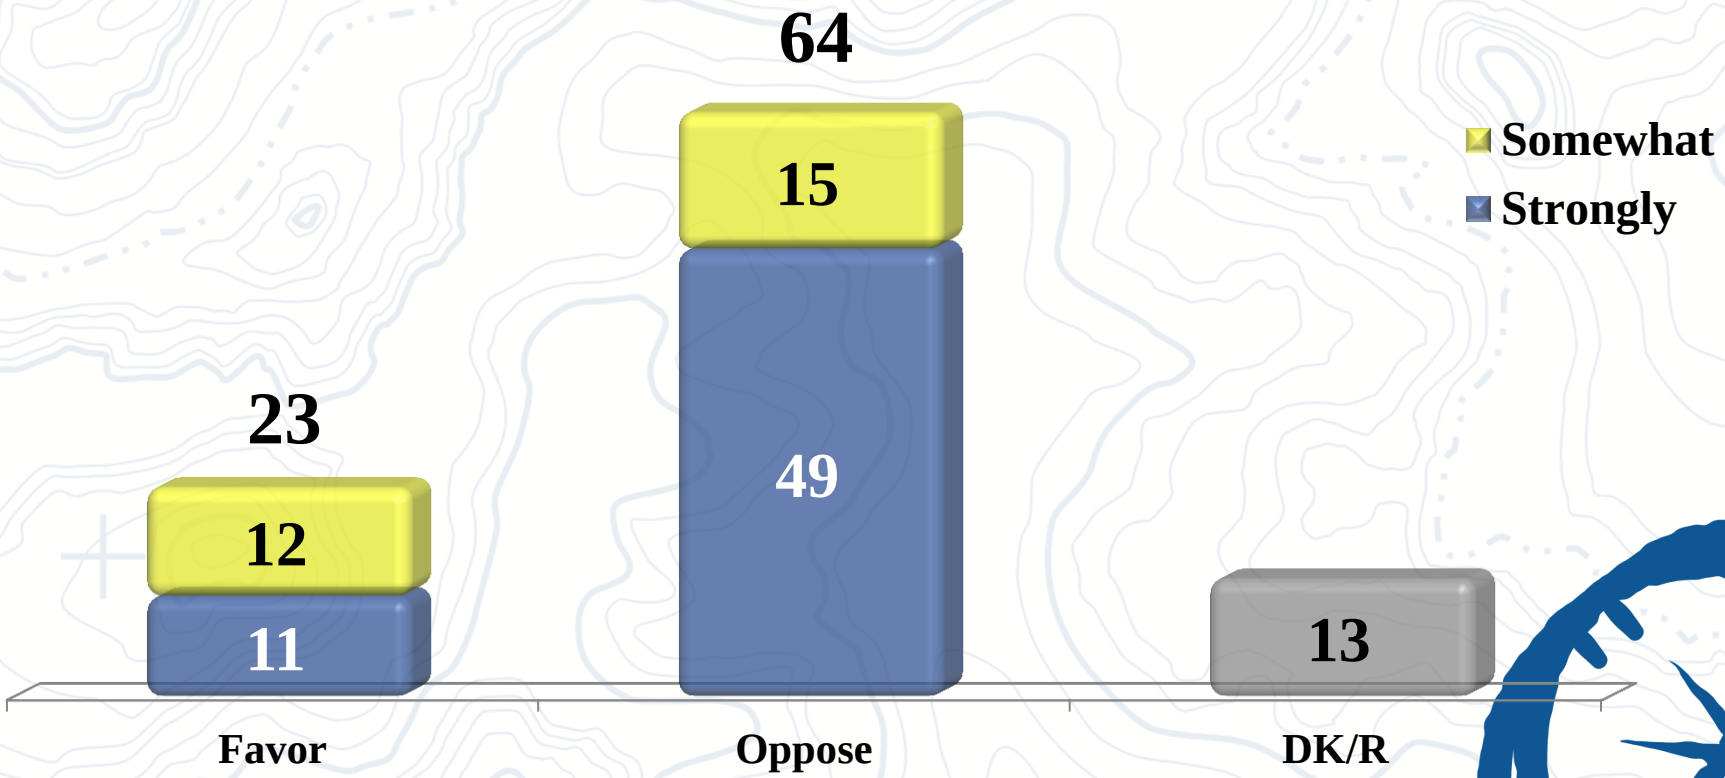


Do you favor or oppose a proposal in the State Legislature that would limit state mandated standardized tests for public school students in Florida?



Would you be more or less likely to support a proposed state budget if you knew that it blocks any increases in college tuition at state colleges for the next year?





Would you favor or oppose the state of Florida taking over Federal Health Care Programs here in Florida if you knew that it would cost state tax payers billions of dollars over the next 5 years?
